

Employee of the Month Celebration

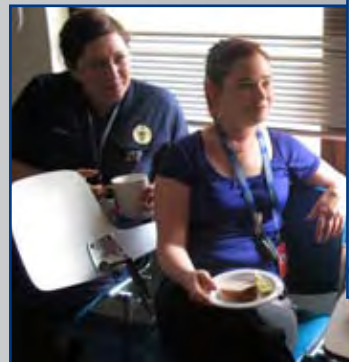

Healthy Workforce • Healthy Hospitals • Healthy Partnerships • Healthy Communities • Healthy Resources • Healthy Leadership

Congratulations to our June winner!

Fremantle Hospital's A/Chairman Employee of the Month, Annie Thompson presented our June Employee of the Month, Jenny Akker with her award at a morning tea.

Her colleagues described her as compassionate to patients and their visitors and a great role model for other staff.

Jenny is a great representative of Fremantle staff and that's why she is being recognised today by her peers with this special award!
