## *Tania Coutts*

*Registered Nurse, Endoscopy Unit,  
Kaleeya Hospital*

I am very pleased to advise that Tania Coutts is the August winner of the Employee of the Month Award.

Tania has been working in the Endoscopy Unit at Kaleeya Hospital for about two years. She has also trained as the Occupational Health & Safety (OSH) representative for the unit and is very active and knowledgeable in this area.

Tania's contributions to OSH and her clinical skills are highly valued by the Endoscopy team whom she interacts with in a relaxed, calm and engaging manner.

Her exceptional interpersonal skills are demonstrated regularly in her interactions with the patients, which helps many patients have an overall positive experience when attending the unit.

I am sure that all staff will be genuinely pleased that Tania has been recognised with this fantastic award, please congratulate Tania the next time you see her.
