

Veronika Connolly *Registered Nurse, F6*

OCTOBER WINNER!

I am very pleased to advise that Veronika is the October winner of the Employee of the Month Award.

Veronika has dedicated all her adult life to Nursing, and she has given a total of 24 years service to Fremantle Hospital in different departments, such as D5, B3 and V6. She is currently working in F6, and has been since 1994.

Affectionately known as "mother" by nurses and indeed other members of the health care team, Veronika has always been willing to go the extra mile in the interest of quality in patient care and service.

She is said to be an enthusiastic and positive staff member. She always has time to answer questions and provide answers which come from a wealth of nursing knowledge.

Some of her hobbies are craft, German club, dining out and spending time with her granddaughters. Veronika has travelled to 21 countries during her lifetime and plans to travel more in retirement.

Please congratulate Veronika on being recognised with this special award!
