*A/Executive Director, Dr Shirley Bowen (left), presenting Veronika with the Employee of The Month award!*

A formal presentation by the Executive team took place last week to celebrate Veronika's Employee of The Month Award. This was followed by an afternoon tea shared with her colleagues in the F6 department. Veronika has dedicated all her adult life to Nursing and now after 24 years of service is ready to retire. We wish Veronika all the best!

Please continue to nominate lots of deserving colleagues. All nominations are valid for three months. Remember to always use the current nomination form available from the Public Relations Department and the Intranet.

## December Nominations are now Open!

*Special thanks to our sponsors who generously support the Employee of the Month Awards.*
