

## *And the winner is...*

**Kevin Lee**

*Cleaner, Patient Support Services*

I am very pleased to advise that Kevin is the **November** winner of the Employee of the Month Award.

Kevin works to a very high standard and he has shown himself to be an integral part of infection control awareness. He has been described as an extremely efficient worker and he regularly performs over and above the usual duties for his role.

Kevin is dedicated, punctual, reliable and consistent with his work ethic. He sets a great example to workmates and applies himself to a very high level. He anticipates potential problems and he displays good knowledge to address difficult cleaning problems.

Kevin is always open to ideas and suggestions and communicates well with his colleagues.

I am sure that all staff will be genuinely pleased that Kevin has been recognised with this award. A formal presentation of the award by the Executive team will follow with Kevin's colleagues in his department.

*Please continue to nominate lots of deserving colleagues. All nominations are valid for three months. Remember to always use the current nomination form available from the Public Relations Department and the Intranet.*
