

# Employee of the Month Award

Margaret Bradford surrounded by colleagues (left to right), Sowying Choy, Fran Lee, Trisha Boomer, Joan Fagberg.

## CONGRATULATIONS

Fremantle Hospital and Health Service's Employee of the Month program is proving to be extremely popular with many entries received each month.

We are pleased to announce that our latest winner is one of our popular clerks, Margaret Bradford, who works in the busy F5 clinics.

Dr Shirley Bowen, A/Executive Director of Fremantle Hospital and Health Service, presented Margaret with the Employee of the Month Award at a special presentation in the F5 clinics with "Maggie" surrounded by her excited colleagues. The award carries small prizes all of which are donated by Fremantle businesses such as: *The Norfolk Hotel, Armando Sports, Hoyts Fremantle, the Freo Doctor Liquor Store, Cake of Soap.* The EOTM Committee also welcomes our new sponsors: "The South of the Border" and the "Flower Factory", both located across the road from Fremantle Hospital in South Terrace.

Margaret Bradford started at Fremantle Hospital in 1983, a quarter of a century ago when she worked in Clinic A and Clinic B in B3. Supervisor Chelsie Te Pania said that Margaret was a valuable and happy staff member. "It seems she has been a clinic clerk here forever and we are all pleased about that," she said.

In the official nomination forms other staff described Margaret as a "gentle leader", "wonderful", "the heart of F5", "hard working", "supportive", "respectful towards people" and most of all "HAPPY"!

People wishing to nominate staff for the monthly award can contact Miriam Navarrete by email and a form will be returned.

*Chelsie Te Pania, Lynn Dolley, Margaret Bradford, Dr Shirley Bowen.*

### February Winner

All nominations remain alive for three months and a selection panel made up of senior staff, and previous winners, deliberates over all nominations before making a choice.
