

And the winner is...

Megan Loneragan
Outpatient Diabetes Dietitian

I am very pleased to advise that Megan Loneragan is the May winner of the Employee of the Month Award.

Megan has been Outpatient Diabetes Dietitian at Fremantle hospital for 15 years. She started work in the outpatients clinic on B2 and then moved to the Diabetes Education Unit on F5. She then relocated to A Block six years ago, with the entire Diabetes Education Unit.

Megan has been described by colleagues as a fantastic communicator who really listens to other team members and is enthusiastic, thoughtful, compassionate and highly skilled in her area of expertise.

Megan is very knowledgeable and an excellent resource person for the Diabetes team. She stops at nothing to provide the very best individual service for each and every patient.

A formal presentation of the award by the Hospital Executive team will be held in Megan's department with her colleagues.

Please continue to nominate lots of deserving colleagues. All nominations are valid for three months. Remember to always use the current nomination form available from the Public Relations Department by ringing ext 2007, the Intranet or simply click on the link below.
